HUD will sponsor four Webinars in June to assist grantees with Homelessness Prevention and Rapid Re-housing program administration.

Advance registration is required for all Webinars. Once you register, you will receive an automated confirmation email with the login and call-in information. It is recommended that you log in to the meeting and conference call at least 10 minutes before the Webinar begins. The training will be held online.

Instructions and Information:

Who should attend: The series is geared towards HPRP Grantees, subrecipients, and administrators.

All participants will be muted due to the large number of people on the call.
